

Dondapati Siva Naga Maruthi Sai Ram

 sairamdondapatii@gmail.com  6309529206  Machilipatnam, India

OBJECTIVE

I'm passionate towards IT and proficient in JavaScript, React.js, Python programming Languages and Web Development. Seeking an active IT role emphasizing technical proficiency and innovation.

EDUCATION

Bachelor of Technology In Mechanical Engineering 2020 – 2024
Seshadri Rao Gudlavalleru Engineering College 

Intermediate - MPC 2018 – 2020
Narayan Junior College

SSC 2018
Zilla Parishad High School, Nidumolu

SKILLS

Frontend: Html, Css, JavaScript, React.js, Redux, TailwindCss

Backend: Node.js, Express.js

Databases: MongoDB, SQL, NoSQL

Others: Python, Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Windows

PROJECTS

PORTFOLIO WEBSITE

Technologies: HTML, CSS, JavaScript

Developed a personal portfolio website to showcase my skills and projects, featuring four main sections: Home, About, Projects, and Contact.

- **Home:** Introduces me and my work.
- **About:** Shares my background and experience.
- **Projects:** Highlights key projects with descriptions and links.
- **Contact:** Allows visitors to reach out.

The site is fully responsive, ensuring an optimal viewing experience across all devices. I implemented smooth navigation and modern web design principles to create a visually appealing and user-friendly online presence.

MOVIES APP

Technologies: HTML, CSS, JavaScript, Movies API

Developed a user interface for a movies app that displays information about various films using a Movies API. The app features a clean and intuitive layout, allowing users to browse through movie listings, view details, and search for specific titles.

- **Responsive Design:** Ensures usability across different devices.
- **Dynamic Content:** Fetches movie data from the API for real-time updates.
- **User-Friendly Navigation:** Simplifies the browsing experience. This project demonstrates my ability to create engaging front-end applications and effectively utilize APIs to enhance functionality

FURNITURE ECOMMERCE WEBSITE

Technologies: HTML, CSS, JavaScript, React.js, Tailwind css, Redux, Daisyui, API

- Designed and developed a fully functional furniture e-commerce website with features like:
 - **Home Page:** Interactive and responsive layout showcasing featured products.
 - **About Page:** Informative section highlighting the brand and its vision.
 - **Product Listings:** Dynamic product pages with filtering and sorting options.
 - **User Authentication:** Built secure login and registration functionality with form validation.
 - **Order Management:** Enabled users to place, track, and review orders seamlessly.

- Utilized Tailwind CSS and daisyUI for modern UI design and styling.
- Implemented dynamic state management with Redux for seamless user experience.
- Ensured cross-device compatibility through responsive design principles.
- Integrated reusable components for scalability and maintainability.
- Deployed the application on Netlify for easy accessibility.

CERTIFICATES

Web Development Certificate

- Institution: Frontlines Edutech Private Limited
- Date Obtained: November 2024
- Skills: HTML, CSS, JavaScript, React, Node.js, Express.js, MongoDB
- Achievements: Built e-commerce website, implemented responsive design, integrated database.

STRENGTHS

Problem Solving | Good Communication | Dedication

ACHIEVEMENTS

- Completed Front-end development course and SQL on linkedin with certification successfully.
- Completed NPTEL course on 'Introduction to Industry 4.0 and Industrial Internet of Things' successfully
